## INSTRUMENT AGREEMENT AND USAGE FEE FORM

Before a school instrument or equipment can be checked out, this form must be filled in and returned with the \$50 yearly fee, if applicable. The instrument and serial number will be filled in upon receipt. The fee for using a school owned mouthpiece is an additional \$20 per year.

Student and parent/s are responsible for all instruments or equipment checked out. Instruments will be issued in working condition and must be returned in the same condition except for normal wear, which does not include dents. Student and parent agree to maintain instrument in working condition at their own expense until instrument is officially returned to a director.

Students should take every precaution to prevent damage to instruments, cases, or equipment. Students should play only the instrument checked out to him/her. Each student using a school instrument or equipment will be given a place to keep it. Failure to keep the instrument or equipment in cases or in appointed locations may result in fines, detentions, and/or grade reductions.

The usage fee is not a rental or repair fee and does not relieve the student/parent of responsibility in paying for damages.
